'First-timer' Oliver Mott Grabs the Title

Solo women competition dominated by the "more senior" runners and won by Crofty **Kelly Bowen**

Relaxed and ready to run the 'Pairs' winning time: Jules Toone and Oli Cox

WEATHER: *Fine and bright with occasional showers*
GROUND: *Wet underfoot*

SOME SIMPLE SUMMARY STATS: *144 people took part (88 male; 56 female): 62 Solo (14 female; 48 male) and 41 Pairs (11 all-female; 11 all-male; 19 mixed-sex; and only one registered 'junior').*

WHY? *A 'time trial' is an unusual type of event – intended to test the competitor's capacity to race without the benefit of the pace or help of others – or in the case of a pair to test their pace / racing compatibility. Furthermore, setting out to cross the Long Mynd and Stiperstones challenges competitors' judgement as to which route option best suits their capability.*

THE LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

SOME NOTES, COMMENTS & OBSERVATIONS:

◊ ***Congratulations*** to **Oliver Mott** (M40) who took the victory by a clear minute on his first ever competitive crossing of the Long Mynd and Stiperstones. **Ben Hartshorne** (a graduate from Time Trial junior ranks) claimed second place by holding off in-form **James Stuart** (M50) by just 9 seconds.

- In taking third place James also lowered the fastest time recorded for an 050 male, taking 9 seconds off the time recorded by Andy Davies in 2016.

◊ The Time Trial format is clearly attractive to the more experienced competitor:

- There were no senior (under 40) women solo competitors, but creditable times were recorded by the fastest three: **Kelly Bowen** (W40) 1st; **Jenny Waters** (W50) 2nd and; **Margart Kodz** (W60) 3rd - all three being separated by less than 3½ minutes
- 37 of the 48 solo men recorded times in veteran categories: 11 x M40; 13 x M50; 10 x M60; 3 x M70.
- Congratulations to **John Langton** 1st M60 and **Lawrie Jones** 1st M70 who extended his participation record (26) that nobody else threatens to match.

◊ Running in pairs facilitated some very competitive runs as well as offering others a less pressured outing over the hills. **Jules Toone & Oli Cox** (Mixed Pair) repeated their overall pairs victory of last year while shaving off an impressive 5 mins. 9 secs. from their previous best. The 2nd Pair (and 1st Male Pair) was **Andrew Barrett & Harry Barett** in a little over 14 minutes behind Jules & Oli and 10+ mins. ahead of 3rd placed (1st Female Pair) **Heather Fras & Melanie Funnell**

This mother & son pairing last ran the Time Trial in 2008 – i.e. when Jenny was expecting

◊ The prize for **Spirit of the TT** goes to **Jenny Ewels** who last entered when she was pregnant with her son. On her return to the event 18 years later, she was part of the pairing that won her son, **Eben Higginbottom** the prize for fastest Junior.

◊ There are probably many more stories buried in the history of the Time Trial – among them these snippets:

- Martin Leventon's solo crossing in some 126 mins. has finally completed the family participation in the event.
- Besides taking part in this year's event with his brother Geoff, John Sproson took part in the very first event (1988) when he completed in 85 mins. 25 secs.

◊ The Time Trial has seemingly grown in popularity with dogs – be they guide dogs, assistance dogs, rescue dogs or family dogs surprised to be given a longer Sunday walk.

ONCE AGAIN …. it was a pleasure to see everyone enjoying the annual challenge. I very much enjoy looking after this unique event – and I look forward to seeing you all next year: **SUNDAY 29th NOVEMBER 2026** *(£8 for a solo, £15 as a pair and £10 junior/senior pair*) – bring a friend.

Cheers all; *Craig*

In the period since the Time Trial – and while this Report was being compiled**, Adrian Donelly** sadly passed away. Many tributes and expressions of sadness have been recorded by members of the Shropshire hill running community via the Facebook group pages for 'Shropshire Fell Running' and 'Long Mynd Hike'.
It is good to know that Adrian was able to witness some of this year's runners as they passed the gate to Belmore Farm. He will remain for always a part of the Little Stretton to Stiperstones Time Trial.

This photo of Adrian was taken by Colin Williamson during the 2014 Time Trial in memorably misty conditions on the Long Mynd.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

SOME SIMPLE SUMMARY STATS: *139 people took part (94 male; 45 female): 61 Solo (10 female; 51 male) and 39 Pairs (10 all-female; 13 all-male; 16 mixed-sex; 5 comprising a junior).*

WHY? *A 'time trial' is an unusual type of event – intended to test the competitor's capacity to race without the benefit of the pace or help of others – or in the case of a pair to test their pace / racing compatibility. Furthermore, setting out to cross the Long Mynd and Stiperstones challenges competitors' judgement as to which route option suits their capability best.*

SOME NOTES AND COMMENT:

◊ ***Congratulations*** to **Dom Jones** for recording his fifth win (64 minutes 40 secs.) in dreadful conditions underfoot - and only marginally slower than his 040 record time of last year. The times of the leading runners shows a healthy level of competition. A spirited effort by **Tom Hancock** in second place indicating he is now one to watch for next year and third place for **Jack Agnew** underscored his reputation as one of Shropshire's prominent hill runners.

◊ **Mel Funnell** posted a fine solo time (87:20) to take the women's title – probably unaware while running that she was comfortably ahead of **Jenny Preece** and **Christine Macam.**

◊ As we have come to expect at the Time Trial, veteran runners show their strength in depth. This year 33 of the 51 solo men recorded times in veteran (40+) categories with 6 of the first 10 being aged 040 or 050. **Virgil Barton** capitalised on a successful year to record 1st 050 in under 75 minutes and **John Langton** retained his 060 title.

◊ While Mel Funnell won her overall title and headed the field of 8 veteran (40+) women solo runners, the other big news was **Janet Hill's** performance as fastest of the others and setting a best time for an 070 woman of 131 mins 21 secs.

◊ Intriguingly the first three teams of paired runners were separated by less than 5 minutes. First were **Oli Cox & Jules Toone** (mixed) followed by **Adrian & Matthew Marsh** (1st male and junior) and then **Becky Griffiths & Charlotte White** (1st female pair).

◊ As ever, it was great to see youngsters taking part. **Mathew Marsh** seems destined for a Time Trial career as he bettered his winning time from last year by more than 4 minutes. And no doubt all juniors had a day out to remember.

◊ Parental chaperones were also in evidence among the older generations. **Steve** (first Time Trial in 1992) and **Chris Atherton** have put in very competitive independent performances over the years and, running together this year recorded a time just under 110 minutes, making the strongest claim for the 'Spirit of the Time Trial' prize. On the eve of her wedding, **Bess Robson** chose to spend some time with her dad **Rick** (first Time Trial in 1988) – a little over two-and-a-half hours enjoying her native Shropshire Hills.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

2023

Dominant Dom Does the Double

Dominic Jones repeats last year's win in an age group record time

Becky Griffiths triumphs to surpass her previous 3rd place run

Early and Eager to Start

WEATHER: *Misty with drizzle*

GROUND: *Wet underfoot*

SOME SIMPLE SUMMARY STATS: *161 people took part (108 male; 53 female): 77 Solo (19 female) and 42 Pairs (8 all-female).*

ORGANISER'S NOTES AND COMMENT:

Congratulations to **Dom Jones** for another win and a very respectable sub-66 time of 63:13 – a mere 4 seconds quicker than his fellow Vet40 **Kris McKenna** in second place. This means that Andy Davies' M40 fastest time was broken twice - and after Andy had expressed his surprise at the start that his time had lasted so long. **Bruce Fanshawe** (4th overall and 3rd solo) now has sub-66 and a couple of Vet runners to aim at next year as well as making sure that Andy Davies (o50 winner) remains behind him.

Well done to **Becky Griffiths** for a fine run finishing in 20th place overall and capitalising on previous experience over her chosen route.

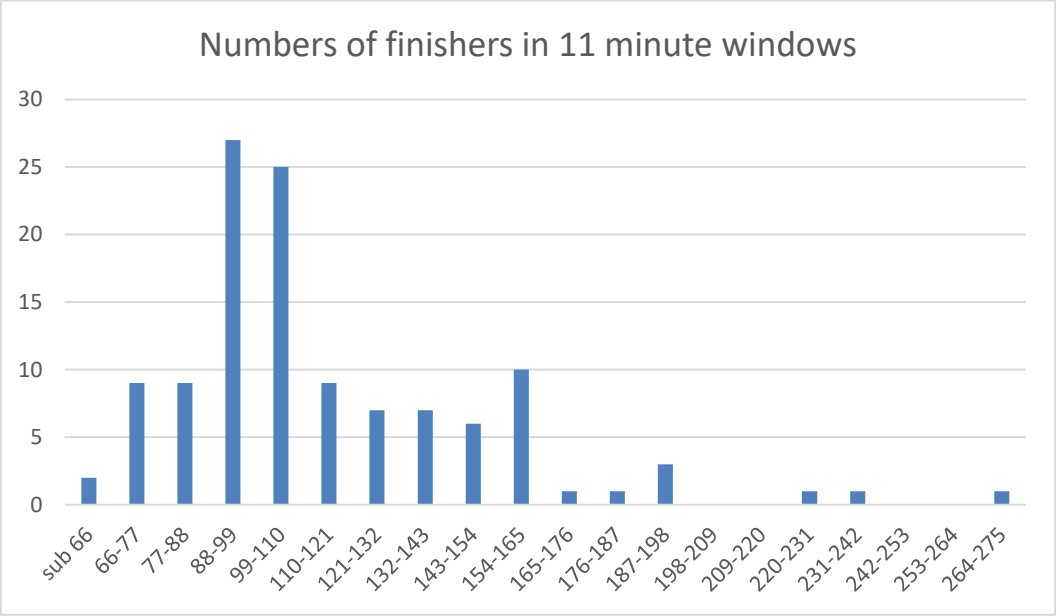

In addition to Becky's run in 1:26:14 there were other particularly notable female performances from: **Chloe Stuart** (in a mixed pair) who ran 1:16:22 at only 13 years old *(look out Sarah Willhoit, your record for fastest lady may be at risk in a few years' time!);* **Monika Oparka-Hickinbottom & Jules Toone** in 15th place overall posted a very respectable F Pair time under 80 minutes and; **Margaret Kodz** ran under the radar to establish a new fastest W o60 time of 1:48:58. Congratulations, Margaret.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

The men's pairing of **Jack Agnew & Adam Bentham** demonstrated their youthful strength beating seasoned campaigners Virgil Barton & Oli Cox by some 10 minutes. Perhaps we will find out next year whether Jack showed Adam the optimal route.

Of additional note:

- It was nice to see quite a few past outright winners returning - some from history, to compete again in 2023: **Adrian Pickles** (1990); **Paul Cadman** (1993); **Mick Boulton** (1996); **Andy Davies** (2010); **Dominic Jones** (2014, 2016, 2022**); Phil Wilkinson** (2019). Keep going!
- **Lawrie Jones** completed his 25th Time Trial (from 1995 to 2023 incl.) His fastest was 68:59 in 2002 and slowest (!) 90:57 in 2022. An enviable record spread across 21 minutes.
- Some reading these notes might be interested to see a representation (below) of the distribution of participant times – which perhaps demonstrates the appeal of the event across the range of aspirations.

- 1st Boy (Under 17 - part of a team) **Matthew Marsh** (1:27:33 - paired with Adrian Marsh)

2022

Dorrington Dom Digs Deep and Does the Deed

Dominic Jones wins - recording his fourth sub- 66 minute run

Sara Wilhoit takes third place in the second fastest ever women's time

Two Time Trial Stalwarts: Geoff Sproson and Steve Atherton

WEATHER: *Overcast but remained dry*

GROUND: *Generally firm*

SOME SIMPLE SUMMARY STATS: *125 people took part (76 male; 49 female): 57 Solo (17 female) and 34 Pairs.*

NOTES AND COMMENT:

It is good to note that route choice remains a topic for debate: Ashes Hollow or Callow side; Long Synalds or the valley bottom; Bridges and Stedment or via Farmer Phil's? A legitimate route that approximates most closely to a straight line, involves just under 8.5 miles (13.6 km) with 2,050 feet (625m) ascent. But success in this event probably lies less in the science and more in the art of working out what is best for you – longer with less climb, perhaps. Whatever, it may take a few years participation to get it right – as witnessed, maybe, in the competitiveness of the more senior age categories.

Congratulations to Dom Jones whose sub-66-minute run, with a respectable distance ahead of fellow Vet40 Kris McKenna in second place, must be particularly pleasing after his long period of rehabilitation following injury.

Sara Wilhoit maintained her truly outstanding form to take third place overall to give her the two fastest times ever recorded by a woman.

Scanning the table of results below will reveal the various category placings. Among the many admirable achievements recorded, a few seem worthy of a little illumination:

- Mel Price recorded the fastest ever W50 category time (81m:47s). Surprisingly, this was the first time Mel had run solo having practised it for many years while dragging along someone who was supposed to show her the way.
- This form of competition seems particularly attractive for seasoned runners - as personified in the two stalwarts pictured above. Having completed the Long Mynd Hike earlier in the autumn as preparation for the Time Trial, Geoff Sproson set his sights for home (quite literally) as the event's elder, reaching it comfortably within 3 hours.
- "Nearly but not quite". Patricia Paige won the W60 solo category with a time just outside 2 hours – missing Janet Hill's best time of 159:59 by only 37 seconds!

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

2021

An extra year's training pays off for some

International athletes Sara Willhoit and Daniel Connolly nervously preparing for the reputed Time Trial

WEATHER: *A bright, sunny and cold morning*

GROUND: *Generally firm – slippery in places*

SOME SIMPLE STATS: *137 people took part: 49 Solo and 44 Pairs.*

ORGANISER'S NOTES AND COMMENTS:

What a difference a year, and a day, makes! Last year was supposed to be my first year of organising this wonderful event, which sadly had to be cancelled due to the Covid lockdown.

When the weather storms hit us on Saturday, I feared the worst and thought I might have to cancel the event again as a safety measure, but when I woke up early Sunday morning I couldn't have wished for a better day. A cold and frosty morning, but the sun was out thawing the top of the Long Mynd - just enough to make the short tarmac descents a little less treacherous.

Not knowing how many people would enter as a consequence of Covid, I was delighted to hear from our friends at Boulton's a couple of days prior to the event that the bus was nearly full.

We had a total of 137 entries, including 44 pairs, which I was delighted with.

Sara Willhoit (Mercia) gets first mention on this year's race report with a fantastic run and time of 1:07:28 which knocked 2 and a half minutes off Polly Gibb's record which has stood since 2007. A new prize of £50 for breaking the record is yours Sara, and very well deserved. In second place was ***Mina Jones-Walters*** with 1:17:39 and in third was ***Becky Griffiths*** with 1:31:50

Fastest lady F50 was previous winner (and member of the elite Sub 77 group) ***Anna Bartlett*** with a time of 128:56 which is a F50 category record. Fastest F60 was ***Janet Hill*** with a time of 159:59 which was also a category best time.

First male, and his first-time taking part in the TT, was ***Daniel Connolly*** (Mercia) with an equally impressive run and time of 1:00:45 which takes him straight into the elite Sub 66 group and into the top ten fastest male times of all time, where he joins Tim Davies (fastest ever time of 56:52), Rob Baker, Andrew Davies and Richard Roberts. I hope that you return next year Daniel to challenge the record. In second place was ***Oliver Perratt*** with 1: 04:07 and third was ***Tom Arthur*** with 1:08:21

Fastest male M40 was ***Mike Frost*** with 1:18:09, and closely behind him was M50 ***John Atyeo*** with 1:18:55 - a category which was strongly contested by Paul Bowes. ***Mark Pearson*** got fastest M60 with a time of 1:26:53 and fastest M70 went to ***Dave Nichols*** with 1:59:15

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

Fastest male pair were brothers ***Kris and Richard McKenna*** with a time of 1:11:06 – a great run bearing in mind Kris wasn't sure he'd be able to run a couple of days ago with a knee injury. Fastest female pair were ***Mel Price and Deb Millington*** with 1:29:37 and fastest mixed pair were ***Oli Cox and Joules Toone*** with 1:26:54

Spirit of the Time Trial was split this year, with a prize going to ***Helen Corrin*** for making the effort to come back to the Shire for the day which meant starting off in the car at 4:30am. Helen is well known to many local fell runners and it was great to have her taking part this year. The other prize went to ***Amy Aldridge and Graham Adey*** who had mistakenly thought that the bus brought them back after the race, rather than before it, but instead of not racing they ran back as well. I know some other participants choose to do this, but when it's not intentional, it showed great commitment - so well done both.

There were a few competitors who took "different" routes - one pair completing just shy of 12 miles and ending up down at Snailbeach before having to take the road back up to Stiperstones. It's easily done with the various path choices/junctions up on top of the Stiperstones. Ed Beards' route was equally impressive by all accounts, with other runners seeing him disappearing off into the distance in various different directions! This what makes the TT special, but maybe also why so many people choose to enter as a pair!

THANKS: Many thanks to Jenny Henn, Dave Nichols, Jim Tinnion and Dom Jones for processing the entries in the village hall (3 of them then taking part in the race itself afterwards) and to Dave Clarke and Charlie Leventon for manning the start line – Dave having no sympathy by keeping the runners back in the shade, whilst Charlie basked in the sunshine! A second thank you to Jim for then downloading the dibber times at the finish to give us the results that afternoon and for use of the Mercia dibbers, which helped enormously. A massive thank you also to Sue Johnson and Jan Stuart for stepping in at the last minute to do the finish and for staying on until the bitter end, especially when the weather started to turn for the worse. Thanks to the Stiperstones Inn for fitting us in and to John Sproson for allowing us to use one of the chalets to download the times, and a personal thanks to the WFRA who were extremely helpful with getting my insurance in place very last minute, and to Dave Farrow for helping me complete the Risk Assessment.

The final thanks go to former ROs Phil Clarke and Charlie Leventon, for all the help in making the transition of organising the event so smooth - hopefully we might get to see Phil take part as a runner next year.

SUMMARY ACCOUNTS: Income: £655; Expenditure: £281; Reserve £374 (a portion going to improve rights of way access).

AND SO .... My first time "in charge" and I really couldn't be happier. Fantastic weather and a great turnout and support made my part in everything very easy and more importantly very enjoyable. I've always loved taking part in the TT and am delighted to have taken over such a unique event. It was good to see so many walkers and runners out enjoying themselves and I very much look forward to seeing you all next year (Sunday 27th November) when I might look to close the time window for entry on the day slightly, from 11:15 to 10:30am, in the hope that more people will still be at the finish for the prize giving. In the meantime, I'll be distributing this year's prizes via the forthcoming Callow and Cardington Cracker races.

Cheers all; *Craig*

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

2020

CANCELLATION

It is likely that the organised 'Time Trial', scheduled for Sunday 29th November, will have to be cancelled because of difficulties in how to manage arrangements on the day in the light of Covid-19 protocols and related concern – not least around access to Little Stretton Village Hall, the perceptions of the villagers and the use of a Finish to Start bus service.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

2019

Wilkinson Wins!

Philip Wilkinson 2019 Time Trial Winner 1:07:34 ***(Picture taken by Colin Williamson at the Cardington Cracker)***

WEATHER: No rain but foggy on the tops.

GROUND: Wet!

TT NOTES:

153 people took part: 59 Solo and 47 Pairs. Club affiliations are shown on the results sheet.

Despite a slight deviation from his planned route as he approached the road junction on the top of the Long Mynd Philip Wilkinson took the victory on this year's TT, but, the margin was very tight with just 9 seconds separating Philip from 2 time winner Ollie Parry! Henry Webb came in 3rd, 1m 07s behind Ollie, all 3 representing Mercia Fell Runners.

Jenny Davies, Oswestry Olympians, took the F Solo prize in 1:41:01, Eleanor Hartley, Mercia, was 2nd on 1:49:30 with Anna Bartlett, also Mercia coming in 3rd 1:50:40.

In the age categories Yvonne Williams from Hopton Castle won the F40 category in 2:46:23. Penny Bienz claimed the F50 prize with 1:58:50 whilst Janet Hill missed the F60 record (2:02:16 set by Gill Otto in 2018) by just 54 seconds.

Dylan Moxon came out on top in the M40 category with 1:13:34, Mark Agnew, Mercia, was quickest M50 on 1:18:07 and the M60 laurels went to current record holder Lawrie Jones, Mercia, who crossed the line in 1:25:21. Chris Bowen returned to take part in what we believe is his 17th TT, the first being in 1991 when he was a M40, now a septuagenarian Chris finished in 2:57:16 and took the M70 category.

Despite the conditions Women's Pairs record holders and Mercia runners Mel Price/Rachel Parker broke their own record of 1:19:42 set in 2018, the pair stopping the clock on 1:16:00. In the mixed pairs Emma Gould/William Laye had a good run to finish in 1:09:58 and Simon Barkley/Mathew Collins were the top Male Pair with 1:13:34.

This means that the oldest record is still Polly Gibb's 1999 senior woman's record 01.10.06. A full and up to date record of all category records and all Sub 66 minute runs and the Women's Sub 77 category can be downloaded from the web site at www.timetrial.org.uk

Rachel Parker & Mel Price 1st Female Pair & Record Breakers

AGE PERFORMANCES:

Again, number of youngsters took advantage of the Time Trial's pairing category, reportedly enjoying (most of) their trip across the hills, an excellent way to build up an interest in fell running.

7 juniors took part as part of a pair as per TT rules. 1ST Junior Female was Kate Mitchell (16) who completed the course in 1:58:01 a full 10 minutes faster than 2018. 1st Junior Male was Ben Hartshorne, Ben crossed the line in 1:34:01. Honourable mentions to all of the other juniors who were: Ollie Hodgson (14), Archie Peffers, Jazmine Shivva, Jazmine just 61 seconds behind Kate, Gemma Block and Daisy Dunn. Well done all.

The Spirit of the Time Trial prize was awarded to the aforementioned septuagenarian Chris Bowen for his performance in the M70 Category and for his continued support for the Time Trial.

Charlie and I are in the process of identifying a worthwhile cause based on the following criteria:

- to update and support the infra structure of the event as and when necessary,
- donations to local good causes,
- utilised to improve or look after the Area of Outstanding Natural Beauty that the TT crosses

FINALLY its goodbye from me after seven years at the helm, sadly my motorsport commitments every November won't allow me to give the TT the attention that it deserves, however, all is not lost, we have a willing (?) volunteer otherwise known as Craig Henn, some beer was involved in the selection process although probably not enough for Craig's liking! Hopefully now the TT can settle back into its original date which will no doubt please John Taylor (Newport) no end, my personal thanks to John who moved the Wrekin Wrecker date to accommodate the TT on a number of occasions.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

2018

Records Tumble and Parry Defends the Title.

Ollie Parry 2018 Time Trial Winner 1:03:58

WEATHER: Cloudy on the top of the Mynd but dry.

GROUND: Reasonable conditions under foot.

TT NOTES:

171 people took part. Club affiliations are shown on the results sheet.

Ollie Parry defended his crown, just! Once again Ollie admitted to a slight deviation from his planned route as he approached the road junction on the top of the Long Mynd, he believes he may have lost a minute or so.

Agonisingly just one second behind were the dream team of Jack Agnew and junior runner Will Kay (15), their combined age is 38! I'm pretty sure that Will's time will be the fastest ever recorded by a Junior Runner, so well done Will, no doubt a possible future winner of the TT. For the record Jack and Will were 1st in the Male Junior Pairs Category.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

2ND in the M Solo category was two time winner (2014 & 2016) Dominic Jones in 1:04:46, good to see Dom coming back strong after his layoff. Dominic experimented with a new route this year; sorry can't say anymore than that! 3RD place went to Michael Bertly (hope that's the correct spelling, not clear on the entry form) in 1:07:42

Mel Funnel took the F Solo prize, an improvement of two places from last year; Mel coming home in 1:26:17, Mel was followed by Rachael Bateman in 1:39:45, Rachael making her debut on the TT. Rebecca Tate came 3rd in 1:55:03.

In the age categories Jim Tinnion was another to try a different route, it must have worked for him as he took 1st M40 and set a PB. M50 went to Kevin Francis in 1:15:02 whilst the evergreen and super consistent Lawrie Jones retained his M60 title, Lawrie also setting a new PB and a TT Record of 1:16:34, finally removing Alan Morris's record of 1:20:04 set in 2003 from the top of the pile.

For the ladies, Rachael Bateman and Rebecca Tate were the first over the line in the F40's, however, having taken 2nd and 3rd places in the F Solo category the 1st F40 prize goes to Deb May who crossed the line in 2:02:17. Stephanie Mackey was 1st F50 in 2:24:24 and Gill Otto was another to retain her title and break her own TT record when she took the F60 category in 2:02:16, reducing last year's time by 08:43.

Records also tumbled in the pair categories, Mel Price and Rachel Parker taking the longest held record on the TT books when they stopped the clock on 1:19:42, beating Judith Witterick and Sandra Butcher's time of 1:28:43 set way back in 1992! One wonders how quick they may have been without the obligatory Mel Meander! In the mixed pairs Paul Jones & Sara Willhoit took the record set in 2012 and already held by Paul with Alison Lavender. The record dropped from 1:09:42 to 1:06:55. In the M Pairs Kristan and Richard McKenna retained their title with 1:05:56.

This means that the oldest record is now Polly Gibb's 1999 senior woman's record 01.10.06.

A full and up to date record of all category records and all Sub 66 minute runs and the Women's Sub 77 category can be downloaded from the web site at www.timetrial.org.uk

Rachel Parker Mel Price 1st Female Pair

Lawrie Jones, 21 TT Completions. 2018 M60 Winner & New M60 Record Holder 1:16:34 (19thO/A)

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

AGE PERFORMANCES:

Again number of youngsters took advantage of the Time Trial's pairing category, reportedly enjoying (most of) their trip across the hills, an excellent way to build up an interest in fell running.

As previously mentioned 1st Junior Male was William Kay (15) 1ST Junior Female was Daisy Dunn (15), Daisy completing the course in 2:07:57. Honourable mentions to all of the other juniors who were: Callum Morgan (12) Watch out Will! ☺ 1:17:21; Mathew Collins (16) 1:24:31; Ollie Hodgson (13) 1:41:07; Joe Dunn (13) 1:48:52; Callum Jones (11) 2:07:20; Kate Mitchel (15) 2:08:16

At the other end of the age scale honourable mentions must be made for the septuagenarians who took part. Brothers and Stiperstones residents Geoff (71) and John Sproson (75) caught the bus and ran home in 2:27:50 & 2:58:10, respectively. John took part in the very first TT in 1988! Previous record holder from 1990 Adrian Pickles returned as did 1996 winner Mick Boulton.

The Spirit of the Time Trial prize was awarded to Lawrie Jones who is a TT regular (21 times) and managed to set a PB this year in the M60 category.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

2017

Perfect Parry!

OLLIE PARRY 2017 TIME TRIAL WINNER 1:03:06

WEATHER: Glorious sunshine, some drizzle later on.

GROUND: Icy, some mud.

TIMING: Whilst we have had the benefit of computer aids for timing in recent years we are keen to ensure that the event is sustainable without reliance on access to technical kit and the expertise to use it. Therefore, this year we trailed a return to a manual paper based system, albeit still utilising the Mercia Fell Runners software to produce the results. There were a few glitches that were sorted on the day but ultimately a set of results have been produced and a few lessons learnt which means that we've achieved our objective. All being well the dibbers will make a return next year.

TT NOTES:

A glorious morning greeted the Time Trialists, although it was a little icy underfoot!

181 people took part.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

A fresh name has now been added to the winners list with Ollie Parry of Mercia Fell Runners (MFR) taking the win, in 01.03.06, Ollie admitting to a slight deviation from his planned route as he approached the road junction on the top of the Long Mynd, he believes he may have lost a minute.

Chris Atherton just missed to break the 67 minute barrier coming 2nd in 1:07:01, Chris also admitting to drifting to far left coming off …. (wouldn't you like to know!) with Philip Wilkinson 3rd just 12 secs down on Chris.

Former GB Athlete (Marathon PB of 2:40:43) Amanda Wright-Smith topped the ladies solo list finishing in 10th place on 01.16.14, Nicola Richards, MFR, and Melanie Funnel, Shropshire Shufflers, followed Amanda home on 1:29:00 and 1:29:09 respectively.

Former event winner and TT record holder (56:52!) Tim Davies MFR took the M40 category with 1:13:22. Shropshire Shuffler Bruce Blackman won the M50 prize and TT regular Lawrie Jones, Wrekin, finally managed to claim the M60 category after many 2nd places, Lawrie finished in 1:24:18. Stiperstones resident Geoff Sproson pipped brother John for the M70 award with 2:4243.

With Amanda and Nicola picking up overall prizes Alison Hartshorne takes the W40 category in 1:36:35, Janet Jeffries won W50 with 1:43:08 and Gill Otto retained the W60 title with 2:10:24, 35 seconds quicker than 2016 so some consistent running from Gill. There were no W70 entries.

In the pairs competitions the records continue to be elusive. In the ladies category Melanie and Charlotte Bermingham, Chase Harriers, took the honours in 1:41:16, Richard and Kristan McKenna, Shufflers, joined forces to take the male pairs with 1:08:23 with Oli Cox Jules Toone (Club = Cox & Toone!) taking the mixed pairs, 1:19:27.

This means that the oldest records are still Sandra Butcher & Judith Witterick's 1992 pairs time of 01.28.43 and Polly Gibb's 1999 senior woman's record 01.10.06. Tim's record was set in 2005.

A full and up to date record of all category records and all Sub 66 minute runs and the Women's Sub 77 category can be downloaded from the web site at www.timetrial.org.uk

AGE PERFORMANCES:

Again number of youngsters took advantage of the Time Trial's pairing category, reportedly enjoying (most of) their trip across the hills – an excellent way to build up an interest in fell running.

Amber Cadman - Gibb (15) continues to flourish on the TT, once again taking the Junior Female award, Amber was accompanied by Dad, Paul Cadman, and finished in 1:36:33, a PB by around 4 minutes.

First Junior Male was William Kay (14) William is well known on the local fell running scene, he teamed up with Mark Agnew and completed the course in a very impressive 1:17:08

Well done to all of the other Juniors who took part.

At the other end of the age scale honourable mentions must be made for the septuagenarians who took part. Brothers and Stiperstones residents Geoff (70) and John Sproson (74) caught the bus and ran home in 2:42:43 & 2:54:49, whilst Chris Bowen (72) crossed the line in 3:10:43.

The Spirit of the Time Trial prize was awarded to Elaine Nichols who was pretty much thrown in at the deep end with the results and endured the human frailties of others around her with great composure! ☺

Dominic Jones 2016 Time Trial Winner

Weather: A cool overcast day in the Shire, perfect.
Ground: Generally good.
TT Notes:
Dominic Jones of Mercia Fell Runners took his 2nd victory on the TT and set a new PB in the process. Dom's time of 1: 02: 57 was 12 seconds faster than his 2015 time when he finished 2nd behind Richard Roberts.

Chris Atherton produced his best performance on the TT so far with 2nd place on a time of 1:07:14 whilst Andy Davies grabbed 3rd in 1:07:49, Andy also taking Colin Lancaster's previous M50 Record of 1:11:50 set in 2012.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

Jan Jeffries (W50) topped the ladies solo list finishing on 01.41.10, Lisa Spandrzyk and Charlotte Edwards followed Jan home on 01:44:05 and 01:59:03 respectively.

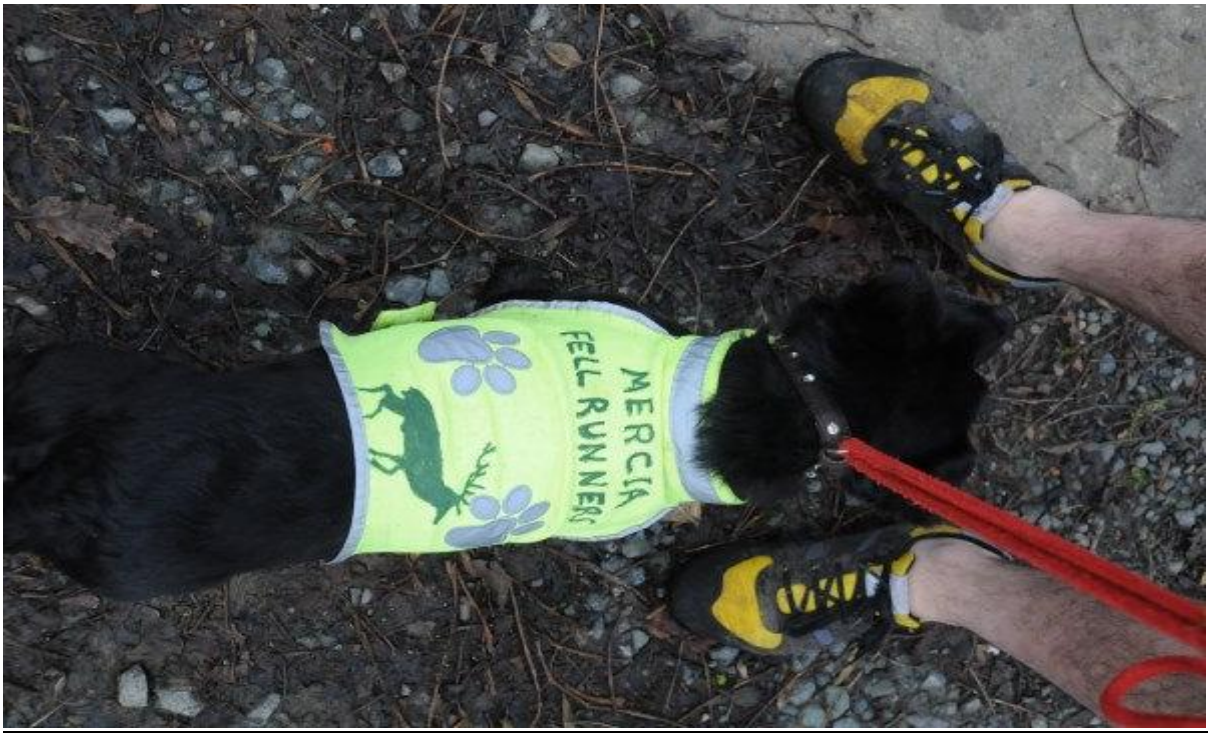

Shropshire Shuffler Ed Morris took the M40 category with 1: 13: 06 and with Andy Davies picking up an overall prize, Adrain Pickles became 1st M50 in 1:19:54, Paul Gresty, another Shuffler, retained the M60 category with a time of 1:21:20 and Les Smith was1st M70 with 1:49:31.

The Ladies age categories were a bit sparse with no W40, or 70. Newport and District runner Ruth Corrigan claimed in a record time of 2:10:59

In the pairs competitions the records continue to be elusive. Mark Agnew joined forces with Junior Will Kay (13) to take the Mens in 01:14:50. In the mixed pairs Oli Cox and Jules Toone took the honours in 01:18:49, and the Women's category went to Mercia Fell Runners Polly Gibb who teamed up with daughter, and Junior, Amber (14) they stopped the clocks on 1:40:52.

Expenditure:
Prizes: Jam £10.80; Wood's Beer Presentation Packs from Wood's Brewery Wistanstow £35; Wine £ 19.96; Honey £32.00; Electronic kit hire and licence: £90.80; Consumables & incidental costs (photocopies; web site fees; wrist bands; stationery, postage): £65.34; Village Hall hire: £7.50

Donation to Little Stretton Village Hall £40. As runners we do quite often cause some disruption at Little Stretton so it's nice to give something back.

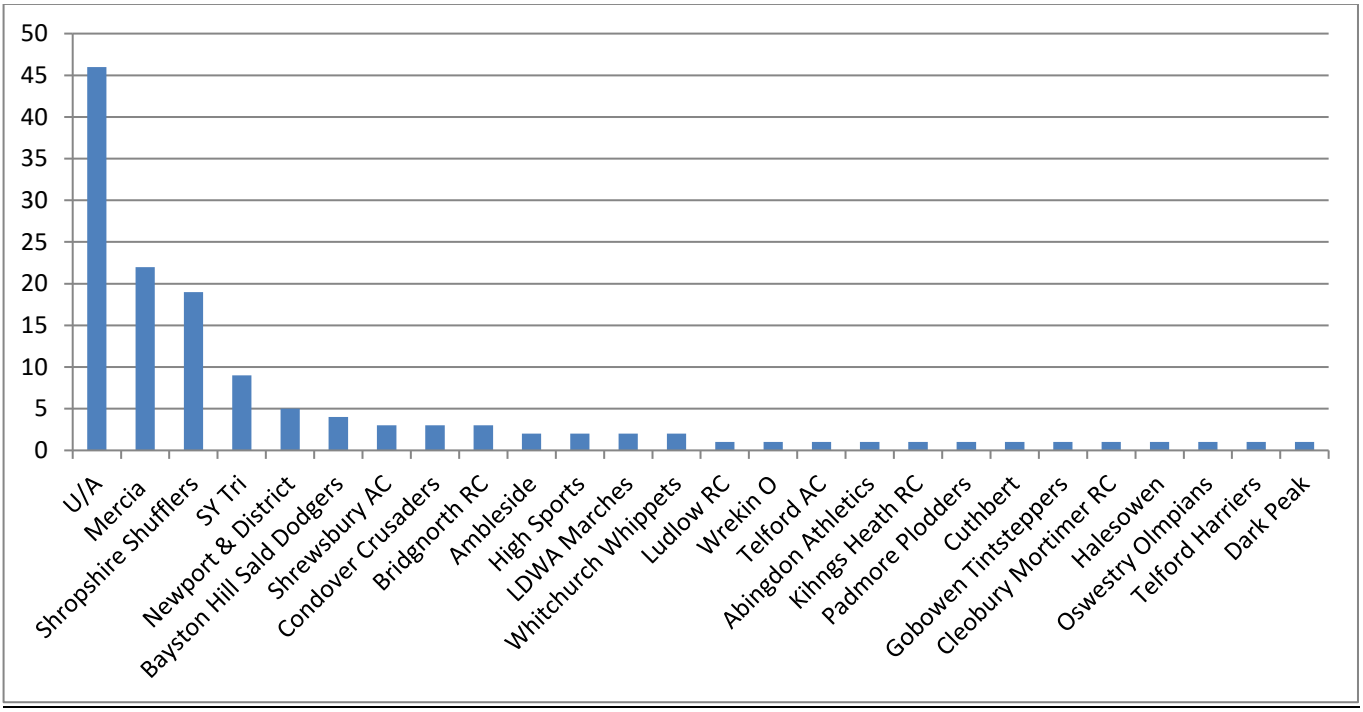

Donation to 'Youngsters in the Mountains' £125. It's all in the title really! The TT donates £50 and Wrekin Orienteers very kindly donate their £75 fee for the hire of the Dibbers.

Donation to Friends of Stiperstones School £40. As per Little Stretton it's nice to give something back.

That leaves quite a sum left over which will either by donated to a local good cause, utilised to improve or look after the area of Outstanding Natural Beauty that the TT crosses or used to improve the infrastructure of the event by purchasing our own timing equipment. Watch this space!

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

2014

Dominic Dominates!

Dominic Jones 2014 Time Trial Winner *(photo courtesy of High Sports)*

WEATHER: A misty murky day in the Shire!

GROUND: Wet and mucky!

TIMING: You may have noticed that your start and finish times one hour out, this is due to an issue with the software not recognising that the clocks had gone back! Your total times are of course correct!

TT NOTES:

A completely different day to last year, gone was the sunshine, in came the mist! The mist coupled with poor conditions underfoot meant that record times were not going to be troubled!

A fresh name has now been added to the winners list with Dominic Jones of Shropshire Shufflers taking the win, in 01.07.40, Dominic admitting to a slight deviation from the optimum route at Hollies Farm where he also managed to lose his waterproof top! Thank you to Richard Paddock for finding that and handing it in at the finish.

Andy Davies (Church Stretton) (M40) came 2nd once more 2.18 down with Richard Bacon (M40) 3rd, just 45 secs down on Andy.

Emma Wareham topped the ladies solo list finishing in 13th place on 01.21.16, Heather Streetly and Jan Jefferies (W50) followed Julia home on 01.31.23 and 01.42.39 respectively.

With Andy Davies and Richard Bacon picking up overall prizes, Mark Agnew takes the (M40) category in 01.17.28, Mark was pipped to the post though by M50 winner Nick Thomas who crossed the line in 01.16.26. First M60 was Dave Nichols 01.42.12 with Peter Grindley not far behind in 01.43.54 taking the M70 prize.

In the Ladies age categories Anna Bartlett took the W40 prize in 01.48.26 with Jane Rowlands of Wye Valley Runners taking the W50 category (Jan Jefferies W50 picking up an overall award) in 01.56.24. There were no W60 entries.

In the pairs competitions the records continue to be elusive. Glen Speake and Andy Yapp joined forces to take the Mens in 01.12.00. In the mixed pairs Mercia members Virgil Barton and Mel Price took the honours once again in 01.18.15; 1.50 slower than last year, and the Women's category went to Shropshire Shufflers Catherine Voyce and Nicola Davies in 01.37.48.

This means that the oldest records are still Sandra Butcher & Judith Witterick's 1992 pairs time of 01.28.43 and Polly Gibb's 1999 senior woman's record 01.10.06.

A full and up to date record of all category records and all Sub 66 minute runs and the Women's Sub 77 category can be downloaded from the web site at www.timetrial.org.uk

AGE PERFORMANCES:

Again a small but important number of youngsters took advantage of the Time Trial's unconventional age ruling, reportedly enjoying (most of) their trip across the hills – an excellent way to build up an interest in fell running.

Amber Gibb (12) and Ellie Dixon (12) returned having also competed last year – with Amber being joint first Junior Female along with her friend Amy Farmer (12) in a super time of 02.14.49, not a PB though for Amber!

First Junior Male was Mathew Collins (12) who teamed up with Dad Richard and completed the course in a very impressive 01.43.52

Well done to all of the other Juniors who took part, Heather Phillips (12), Oliver Beckett (14) Joe Beckett (11) and Finlay Dixon who at the age of 5 conquered the TT Course (along with Dad Nick) in 02.46.55.

First mixed pair(?) Mel Price, Virgil Barton and Zeus! *(photo courtesy of High Sports)*

At the other end of the age scale honourable mentions must be made for the septuagenarians who took part, Peter Grindley (72) SY Tri 01.43.54, just 1.43 slower than last year, Alan Morris (73) (Alan again ran in a mixed pair team with Gill Evans) Shropshire Shufflers 01.45.04, and Les Smith (70) 01.58.52.

WEATHER: A fine weather window prevailed throughout. ☺

GROUND: Wet and mucky!

TT NOTES:

This being my first stab at organising the TT I was hopeful that we would be blessed with some good weather. Someone must have been looking down (or up?) on us as we were lucky once again, however, as per last year conditions underfoot were not conducive to record times with plenty of wet and boggy ground to contend with.

A fresh name has now been added to the winners list with Matt Hammerton taking the win, Matt's time of 01.05.20 means that he also joins the list of Sub 66 Solo Runs. Matt is in his final year as a medical student at Southampton but came back to Shropshire to visit his parents who live in Bridgnorth and decided to join his Dad William on the TT. Not a bad debut!

Andy Davies (Church Stretton) (M40) came 2nd once more just 1.39 down with Chris Phillips 3rd, 0.47secs down on Andy.

Julia Leventon topped the ladies list finishing in 8th place on 01.15.22, Polly Gibb and Anna Bartlett followed Julia home on 01.16.40 and 01.16.53 respectively, Polly also taking the W40 category.

In the pairs competitions the records continue to be elusive. Tom Roo and Chris Atherton joined forces to take the Mens in 01.12.02 some 05.20 quicker than last year for Chris when he ran as a solo. In the mixed pairs Mercia members Virgil Barton and Mel Price took the honours in 01.16.25 and the Women's category went to a somewhat surprised but delighted Kim Braznell and Sue Howarth in 01.36.42.

This means that the oldest records are still Sandra Butcher & Judith Witterick's 1992 pairs time of 01.28.43 and Polly Gibb's 1999 senior woman's record 01.10.06.

A full and up to date record of all category records and all Sub 66 minute runs and the Women's Sub 77 category can be downloaded from the web site at www.timetrial.org.uk

AGE PERFORMANCES:

Again a small but important number of youngsters took advantage of the Time Trial's unconventional age ruling, reportedly enjoying (most of) their trip across the hills – an excellent way to build up an interest in fell running.
Tom Garbett (16), Emma Clarke (16), Isabel Drummond (12) and Aiden Spurling (12) each returned having also competed last year – with Tom taking the prize for first Junior Male, (taking 12 seconds off his time of last year which was just 7 seconds quicker than 2011), Emma competing for the eighth time and Isabel for the third. Aiden knocked exactly 11 minutes off last year's time, Mum Maria must be quicker than Dad Dave!

First Junior Female was Amber Cadman Gibb (11) who teamed up with Dad Paul (50) and completed the course in an impressive 2.05.15

Well done to all of the other Juniors who took part, Ellie Dixon (11), Juliet Mitchelmore (11), Ellie Drummond (10) and Callum (6) and Kurtis Jones (5).

Amber Cadman Gibb collects her prize for first Junior Female

At the other end of the age scale honourable mentions must be made for the septuagenarians who took part, John Sproson (70) Mercia 02.56.10; Mick Ward (79) of Oswestry Olympians 02.32.19; Philip Steer (?) Ind 02.20.20 Peter Grindley (71) SY Tri 01.42.11 and Alan Morris (72) (Alan ran in a mixed pair team with Gill Evans) Shropshire Shufflers 01.39.44. If Mick decides to come back next year it looks as though we will need to introduce a M80 Category! ☺

SUMMARY ACCOUNTS:

Income: £715

Expenditure:
Prizes £293; Electronic kit hire and licence £169.80; Consumables & incidental costs (photocopies; web site fees; wrist bands; stationery) £57.70; Village Hall hire £7.50

Surplus: Any surplus left over is given to good causes, this year's recipients are;

Donation to Little Stretton Village Hall £40. As runners we do quite often cause some disruption at Little Stretton so it's nice to give something back.

Donation to 'Youngsters in the Mountains' £115. It's all in the title really! The TT donates £40 and Wrekin Orienteers very kindly donate their £75 fee for the hire of the Dibbers.

Donation to Friends of Stiperstones School £40. As per Little Stretton it's nice to give something back.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

Donation to Cystic Fibrosis Trust £40. Our first Junior Female this year was Amber Cadman Gibb. I was fortunate enough to witness Amber and Dad Paul Cadman cross the finish line and the look on Amber's face summed up the TT for me, relief, joy and pride all mixed in one. Amber suffers from Cystic Fibrosis, so this donation to the Cystic Fibrosis Trust is made in recognition of her achievement.

high sports

'YOUNGSTERS IN THE MOUNTAINS' is a HIGH SPORTS initiative that helps young people expand their horizons and experience in the hills through the award of small grants. This could include assistance for young fell runners, orienteer's and adventurers in the hills – call in at the shop (Wyle Cop, Shrewsbury) for more details or go to www.highsports.co.uk

The 27th Time Trial is scheduled for Sunday 16th November 2014

Unfortunately, my other commitments that Charlie alluded to last year have come around to bite me so I have no option other than to bring the TT forward by two weeks. Having consulted the Fell Running Calendar there does not seem to be a clash with any other local race and hopefully everyone will still come along and enjoy themselves.

WEATHER: A fine weather window prevailed between very wet and windy conditions.

GROUND: Very wet with streams where many paths would normally be.

RACE NOTES:

As we approach race date each year I look anxiously at every weather forecast with fingers crossed. It worked again this year as we were blessed with a window of fine bright weather after a lot of rain and winds which had caused problems in many parts of the country. However, conditions underfoot were not conducive to record times and streams which would normally be skipped over were impediments to progress. Nevertheless, Andrew Davies took his sixth solo win in a matter of just 45 seconds over the hour – an outstanding achievement for the day. Andy Davies (M40) followed him in second place some 5+ minutes meaning that Andrew was the only competitor to add another time to the sub-66 list.

As I had previously declared, this was the last event for which I would take the lead as organiser. So it was with a little bit of paternal pride that I was able to declare Julia the winner of the women's open race taking just 6 seconds off her last year's time. Past winners Val Swingler and Polly Gibb finished very close behind with a gap of only 47 seconds covering all three of them – excellent racing efforts!

Whilst the open records were not broken this year a couple of best times were improved:

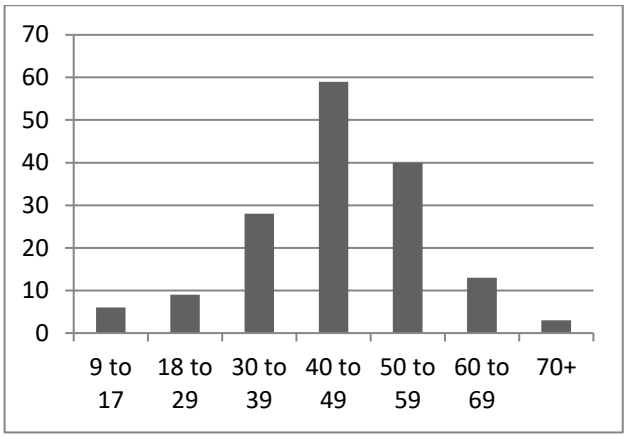

Mixed Pair	Alison Lavender & Paul Jones	69:42	*Improving on their previous best from last year*
o50 Men	Colin Lancaster	71:50	*Barrie Nicholas' long standing 1991 time finally falls*

Alison Lavender and Paul Jones built on what they had learnt last year *(about the route and each other's strengths?)* and powered their way to take 68 seconds off their previous best. Colin Lancaster (Little Stretton's chief coach) had previously and quietly declared his intention of going for the o50's best time. Despite the poor ground conditions Colin capitalised on his preparation and managed to reduce Barrie Nicholas' 1991 time by 75 seconds. This means that the oldest records are now Sandra Butcher & Judith Witterick's 1992 pair's time and Polly Gibb's 1999 senior woman's record.

A full and up to date record of all category records and all sub-66 minute runs can be downloaded from the web site at www.timetrial.org.uk

Pair's competition, dominated this year by Alison and Paul's performance, continues to be keen. Neil Postans and Paul Bowes seem to have surprised themselves in winning the Men's pair as they left for home before winners were announced, assuming they were 'also rans'. Anna Bartlett and Gill Evans teamed up to make a very experienced team and took the Women's pair title – if they had realised what to aim for, could they have run even harder and improved the category best time?

AGE PERFORMANCES: This small diagram (numbers of 2012 competitors by age) could be taken to show that Time Trial runners need a few years to gain enough confidence and experience before their physical abilities start to decline – making the run the more popular with the o40s.

However, a small but important number of youngsters take advantage of the Time Trial's unconventional age ruling, reportedly enjoying (most of) their trip across the hills – an excellent way to build up an interest in fell and hill running. Tom Garbett (15), Emma Clarke (15) and Isabelle Drummond (11) each returned having also competed last year – with Tom taking the prize for first youngster, taking 7 seconds off his time of last year, and Emma competing for the seventh (!) time.

The youngest, Oliver Bowen (9) put in a time to uphold the reputation of the Bowen dynasty; Robbie Tedcastle (12) ran very strongly at the finish to confirm his future potential (provided his Dad can keep up with him) and; Little Stretton resident, Aidan Spurling (11) went under 2 hours to confirm his intention of continuing the family Spurling's association with the Time Trial. Well done to all the youngest competitors – make sure you keep the oldies on their toes.

Adding to his enviable record of Time Trial performances Alan Morris was a popular recipient of the prize for o70s. His time of 96:30 was even better than the time he posted last year and sits comfortably within his range of times (77:53 to 97:40) recorded over 19 separate solo runs - an extraordinary achievement that should serve as inspiration to many of us.

MAGNIFICENT 7: In 1988, 25 years ago, about 60 competitors completed the first Time Trial. Seven of them competed again in the 25th – congratulations to them all, it's a feat worthy of committing to the record:

	Time for the 1st - 1988	Time for the 25th - 2012
Tony Thompson	76:13	94:46
Nick Kingston	77:25	131:43
Barrie Nicholas	77:25	131:43
Gordon Trevor	84:09	127:55
John Sproson (Mr Stiperstones)	85:25	165:29
Denis Rowlands	90:15	112:00
Barbara Keenan (nee Metcalfe)	124:58	126:37

AND FINALLY (WITH FINALITY): This year's event had considerable poignancy: Chris Dawes, LDWA leading light and Time Trial stalwart (16 solo completions and at least 2 as part of a pair), sadly died a few days before the event. A significant number of Time Trial regulars knew Chris and many words of recollection were shared before and after running. Chris would have been the eighth to have competed in both the first and twenty-fifth Time Trial.

high sports

'YOUNGSTERS IN THE MOUNTAINS' is a HIGH SPORTS initiative that helps young people expand their horizons and experience in the hills through the award of small grants. This could include assistance for young fell runners, orienteers and adventurers in the hills – call in at the shop (Wyle Cop, Shrewsbury) for more details or go to www.highsports.co.uk

END PIECE: This was the last Time Trial under my organisation; after 25 years it's time to stand down/aside. Many thanks to everyone for the fine engraved crystal tankard which was presented to me after the prize giving – I really do appreciate it.

The 26th Time Trial is scheduled for Sunday 24th November 2013

All being well, and provided his other commitments allow, Phil Clarke plans to take on the organisation of the Annual Time Trial. Check for information nearer the time.

WEATHER: Fine, sunny (9°C) and clear but with a wind that might have inhibited the achievement of some personal best times.

GROUND: Good to soft.

RACE NOTES:

A record (and unexpected) turnout meant we ran out of entry forms but it did ensure we had a highly competitive event. Andrew Davies and Anna Bartlett used their experience to romp home as popular winners in the open solo categories: Andrew taking the title he has now won five times (the last being in 2000) and Anna accumulating her fourth win by showing her Shrewsbury AC club mates a clean pair of heels. In fact Anna not only secured a top ten position but also established a new fastest time for o40 women.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

Competition was clearly healthy in a number of instances and categories. These are a few examples:

- Jon Hedger just managed to hold onto second place from the more senior Andy Yapp by just 2 seconds;
- the first fifteen featured three solo women – separated by just 6 minutes;
- the first six o60 men were spread over just 12 places and 4 minutes.

NEW FASTEST TIMES: Whilst the open record remains intact a number of fastest times were set – strengthening in particular the performances recorded in the senior women's categories:

Mixed Pair	Alison Lavender & Paul Jones	70:50	Not only first Mixed Pair but first of any pair
o40 Women	Anna Bartlett	71:51	Maturing nicely - her fastest ever!
o50 Women	Patricia Paige	92:20	Fine run from a dark horse showing a lot of promise
o60 Women	Pauline Richards	144:47	Snatched back from her rival

A NOTE ON AGE PERFORMANCES: It was good to see strong representation at both ends of the age scale. The highly creditable performances of the 'juniors' hopefully means that we are continuing to build for the future of hill running in Shropshire.

Competition between the teenage lads was particularly keen with less than 12 minutes covering the five of them and Emma Clarke chasing them hard. **NOTABLE EFFORTS BY YOUNGSTERS** in finishing order:
Alvaro Mendicute (15); Ben Ashcroft (15); Thomas Garbett (14); Ross Kirby (14); Jack Agnew (16); Emma Clarke (14); Lucy Hart (9); Isabelle Drummond (10)

An unprecedented fourteen men competed solo in the over 60 category - including several over 70. Whilst the suggestion is sometimes made that an over 70 category should be created I thought it might be interesting to see if there is a way of ranking all those over 60 taking into account those aged over 70.
By applying the following unscientifically derived formula an **o60 AGE-ADJUSTED RANKING** has been generated.
|The difference in the competitor's time and that of the o50 winner's|
divided by /
|the difference in the competitor's age in years and a 59 year old| =

Age-adjusted Rank		Finish position

§ Apologies to Phil Blatch and Roy Lindsell. Roy was awarded the o60 prize on the day when Phil Batch's category win was overlooked (probably because he doesn't look his age). Anyway, Roy has had his cake and eaten it so another has been procured for Phil and the record has been corrected – and well done to both!

The majority of the prizes are luxury fruit cakes purchased from award winning local producer ***MY COTTAGE KITCHEN*** – www.mycottagekitchen.co.uk/ - with thanks to Ursula Evans for her assistance.
Since being selected as Time Trial prizes, My Cottage Kitchen fruit cakes have come top in the Guardian's Christmas Cake Taste Test - go to http://bit.ly/tAhA7z

WEATHER: Extremely cold air temperature (Shrewsbury recorded -13C and Powys -17, the previous night) but no wind and a perfectly clear sunny day. Brilliant!

GROUND: A good covering of snow with ground beneath icy - descents being particularly tricky.

PRIZES: Most prize winners receive a copy of The Best of the Fells by Peter Hooper with copies signed by Peter going to the first man and to the first woman. Sales of this fascinating little book contribute funds to Mountain Rescue. Thanks go to Peter not only for producing the book but for his assistance in supplying copies.

Additional copies can be ordered at http://www.lulu.com/

PRIZE LIST:

First three overall solo:	Andy Davies (o40), Paul Jones (o40), Rob Baker
First three women solo:	Anna Bartlett (o40), Val Swingler (o40), Clare Baker
First over 50 man:	Matthew Clewes
First over 60 man:	Tony Thompson
First 'Grande Dame':	Jill Leventon
First pair:	Andrew Davies, Glyn Fletcher
First mixed pair:	Amanda Wright-Smith, Nick Thomas
First female pair:	Mel Price, Emma Clarke (13)
For notable efforts:	Lucy Hart (8) and Lauren Hughes (12)
The '**Spirit of the Time Trial'** prize - provided by an anonymous donor to "encourage each end of the age range to try this type of event or to continue to take part as a pair":	Mick Ward – for a spirited performance in icy conditions for a 76 year old – and small compensation for Barbara's anxiety.

Not claimed your prize yet? Call me on 01743 289946.

RACE NOTES: Andy Davies' intimate knowledge of the area as a resident of Church Stretton might just have made the 13 second difference that separated him from Paul Jones in second place. Rob Baker wasn't too far behind in third place having "experimented" with an unusual route decision (lapse of concentration) – via the Stiperstones car park.

Val Swingler continued her fine season and made sure that Anna Bartlett had to remain focused in order to secure her third solo win.

Times were naturally slower in the tricky conditions but it was surprising to note that many of the leading runners dropped only a few minutes. Needless to say I was relieved that nobody arrived injured (and neither did we leave anybody out there).

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

Amongst the pairs competition the time achieved by Amanda Wright-Smith and Nick Thomas is worthy of mention as it was only 1 min 41 sec outside the fastest recorded for a mixed pair – so I hope they have another crack at it when conditions under-foot are favourable. The female pairing of Emma Clarke and Mel Price proved to be an ideal combination winning in a time that marks Emma's progress toward solo success when she is old enough.

Last year's Time Trial Champion and this year's British Fell Running Champion, Tim Davies, took a well earned rest this year and (presumably) looked after the children whilst Sharon resumed her partnership with Dianne Spencer. Congratulations to Tim on his success in 2010. It only goes to show what can be achieved from success in the Little Stretton to Stiperstones Time Trial!

THE NUMBERS: 118 participants; 56 solo (10 female) competitors; 31 pairs.

LOCAL CLUB PARTICIPATION LEAGUE:

Mercia FR	38 runners	Wrekin Orienteers	5
Shropshire Shufflers	18	LDWA	4
Shrewsbury AC	7	Telford Harriers	4
Oswestry Olympians	7	Other clubs	≤2 each

You will probably notice that Newport & District RC were absent in their dozens because every single one of them was "in recovery" after their annual dinner and dance. However, you will also see that they forced one lone representative to come along – well done Rodney Jones.

THANKS: A really big thank you to all our helpers for their sterling efforts in such cold conditions. In particular to Alison and Stuart Cathcart who did a long stint in the coldest spot at the Finish. If you would also like some of the highly effective cold-weather gear they were wearing then call in at **HighSports** at the bottom of Wyle Cop, Shrewsbury.

Also, thanks to Clare and Rob Baker and Jill Leventon at the Finish; Andy Clough, Bob Couth and Colin Williamson at the Start; Martin Leventon for data entry and results production; Rick Robson for access to the camper van at the finish.

Without the hospitality of **THE STIPERSTONES INN** (www.stiperstonesinn.co.uk) and Mick Boulton's (**BOULTON'S COACHES**) valuable 'Finish to Start' bus service, the event would not be the same – thanks to both.

SUMMARY ACCOUNTS:
Income from entries £349
Prizes £155; Consumables (photocopies; web site fees; wrist bands; stationery) £59; Village Hall £15
Donation to 'Youngsters in the Mountains' £70

PRIZES: Prizes were once again purchased from local sources and featured high quality cakes from the Bomere Heath cottage bakery of **'Baked for You'** (www.bakedforyou.co.uk or www.madeinshropshire.co.uk).

The continued and unfailing support of **High Sports** (www.highsports.co.uk) is also gratefully acknowledged.
The prizes have been awarded as follows:

First three overall solo:	Tim Davies, Andrew Davies, Rob Baker
First three women solo:	Alison Tickner (o40), Janet Jeffreys (o40), Patricia Paige (o40)
First over 40 man:	Stephen Pyke
First over 50 man:	Matthew Clewes
First over 60 man:	Alan Morris
First 'more senior' woman:	Elizabeth Salisbury
First 'Grande Dame':	Pauline Richards
First pair:	Paul Jones and Steve Cale
First mixed pair:	Rob Hughes and Ali Lavender
First female pair:	Kim Braznell and Sue Howarth
Sibling Peace Prize:	Alastair and Jamie Drummond
Most improved pair 2009/08:	Sophie and John Whittingham - who knocked some 24 minutes off their last year's time
The '**Spirit of the Time Trial**' prize - provided by an anonymous doner to "encourage each end of the age range to try this type of event or to continue to take part as a pair":	Gordon Trevor and Grace Hough – who recorded the best time for a pair both having reached the age of 60.

QUOTES: *"I told you it was a piece of cake"* - 1st placed Tim Davies
"This is the best Shropshire cake I have ever been presented with" – 3rd placed (and adopted Salopian) Rob Baker

RACE NOTES: Whilst most times were slower than last year Tim Davies still managed to beat the hour – a remarkable achievement given the under-foot conditions. Alison Tickner improved on her time from last year to head a competitive trio of 40+ women – all finishing within eleven and half minutes of each other.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

Interestingly route choice still creates some debate and indecision. Not everyone uses Ashes Hollow but many (not all) use the road between Bridges and Hollies Farm. However, the route to reach the road near Boiling Well (from Ashes Hollow) reveals a variety of options with views on the efficiency of each route varying with the state of the ground and vegetation. It seems that this bit of route finding is now the critical factor for those recording the fastest times.

It was really good to see a contingent from Macclesfield and area. We hope you enjoyed your weekend in Shropshire and that you will compete again next year with the benefit of this year's experience.

Congratulations to all the juniors: Angus Lamb, Emma Clarke, Tom Garbett and Nate Agnew - each completed in very respectable times.

THE NUMBERS: 162 participants; 65 solo (9 female) competitors; 48 pairs+.

As ever the hospitality of **THE STIPERSTONES INN** (www.stiperstonesinn.co.uk) made a valuable contribution to the success of the event as did Mick Boulton's (**BOULTON'S COACHES**) 'Finish to Start' bus service – thanks to both.

2007

ROB BAKER DOESN'T LET GO HIS TITLE

SOLO WOMEN MAKE AN IMPACT

Whilst the hour barrier was not breached this year Rob Baker took his 4th title in 5 years.
Competition among women running solo was the keenest ever in the history of the event – generating three of the best seven solo times of the day. Running with confidence based on a successful year as a Welsh international mountain runner, Anna Bartlett emerged the winner to take her first full Time Trial title.

RACE NOTES: 60 minutes wasn't beaten this year – perhaps as a result of the slightly windy and muddy conditions. However, more competed than ever before, producing excellent performances in each category and across all ages.

With an acquired knowledge now rivalling that of local runners, Rob Baker ran confidently (using the road from Bridges to The Hollies) to record his second best time and his fourth solo win. Meanwhile the brothers Davies avoided competing head-to-head, teaming up to take an expected win for the pair's title, albeit more than 4 minutes slower than last year (that's what parenthood does for you, Tim).

The women's competition emerged as the best ever. Anna Bartlett will probably have to run even faster than her impressive time of 71:45 if next year she is to keep in front of the likes of Polly Gibb (demonstrating Paula Radcliffe like powers of post-natal recovery) and Julia Leventon (motivated enough to travel from Budapest to run the Time Trial!).

In taking the mixed pair title in the fast time of 77:00, the husband-and-wife team of Rachael and Mark Bollom underscored Mercia's strength in Shropshire hill running. It was therefore good to see Oswestry Olympians make their presence felt amongst the Mercia, Shufflers and Shrewsbury clubs with a winning performance from Alison Tickner and Ellen Ashton in the women's pair competition.

Whereas *THE RECORD* remained unbroken, congratulations are due for a couple of new best performances:

- Andy Davies who capitalised on his Long Mynd Hike victory together with his local knowledge to establish a new male over 40's best time by taking 15 seconds off the time set in 2001 by Colin Lancaster.
- In winning the women's title Anna Bartlett also set a new best time for o35 Women - removing 3:21s from the previous best time set by Polly Gibb in 2001.

As I have noted before, I hope that, whilst certain performances are given particular mention, every competitor can look back on their time trial with a sense of satisfaction and/or the motivation to set himself or herself a new target for next year. If you want an example to follow look no further than Richard Bishop who, after years of trying, has at last posted the very respectable pb (104:22) of which he knew he was capable – congratulations and respect to you, Richard.

HARD LUCK! BUT COULD YOU HAVE TRIED ANY HARDER?

- Andy Clough missed the o50 men's title by just 2 seconds.
- Concerned that this would be her last chance, Paula Hearle ran her socks off to keep up with Holly only to find that she was 24 seconds outside their previous best time. For this reason alone we will do our best to put the event on again next year.
- Anna Bartlett was just 99 seconds (equivalent to a minor route adjustment) short of Polly Gibb's 1999 all time women's record.

Three most prolific clubs: Mercia Fell Runners - 29 (38) competitors; Shropshire Shufflers - 19 (14); Shrewsbury AC: 13 (14).

FUTURE OF THE TIME TRIAL: Thank you to the many people who have expressed support for the continuation of the event. It is clear that its unique atmosphere and character should not be lost. Furthermore the new arrangements for electronic 'punch' timing and use of Little Stretton Village Hall for registration seemed to work particularly well. Provided I can be satisfied that insurance arrangements appropriate to the nature of the event are available, I will be happy to continue organising the Time Trial for a little while longer.

Having run things at £2 per head for many years I felt it necessary this year to charge seniors £4 in order cover a number of unknown costs associated with new arrangements. It has always been my aim to run each year's event ending with neither a profit nor a loss – passing on any modest surplus to the 'Youngsters in the Mountains' fund. However, as it turns out, I have been a little too cautious this year and I will therefore carry over to 2008 a sum of money to subsidise the entry fee – see 'Accounts' below. I hope most people will find this acceptable.

WOMEN'S AGES: A tricky subject but it's time to raise it! The Time Trial was started in an era that was more patronising - women runners were commonly referred to as "ladies" and "lady vet" status started at 35. However, in the light of women's performances in recent years (only occasionally has an under 35 won the title) and with increased numbers now over 60 (some gentle prods from Pauline and Jill), I propose to shift the women's age categories to mirror the men's – i.e. a senior woman will be 39 and under, etc. I will need to think about what to do about the record of fastest times but let me know what you think.

THANKS: A very big thank you to all our helpers: Alison and Stuart Cathcart and Debbie Clough at the Finish; Phil Harris, Andy Clough and Bob Couth at the Start; Martin Leventon for data entry; Jill Leventon and Pauline Richards for computing/results services; the Robsons for the accommodation of their camper van – and not forgetting several others who mucked in wherever it was helpful. As ever the hospitality of **THE STIPERSTONES INN** made a valuable contribution to the success of the event as did Mick Boulton's **(BOULTONS COACHES)** 'Finish to Start' bus service – thanks to both.

SUMMARY ACCOUNTS: Income £665 (£655 entry fees + £10 donation for the 'Spirit of the Time Trial' prize); Prizes £165; EKit provision £155; Other expenses £85 (materials, village hall etc); Donation to 'Youngsters in the Mountains' fund £130; Carry over to reduce 2008 entry fees £130.

'YOUNGSTERS IN THE MOUNTAINS' is a **HIGH SPORTS** initiative that helps young people expand their horizons and experience in the hills through the award of small grants. This could include assistance for young fell runners, orienteers and adventurers in the hills – call in at the shop (Wyle Cop, Shrewsbury) for more details or see www.highsports.co.uk

NEXT YEAR: All being well the **21st Time Trial** will take place on **Sunday 30th November 2008** – check nearer the time.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

RACE NOTES: Several remarkable performances were achieved at the elite end of the field:

- The hour barrier was broken by only the second solo competitor in the history of the event!
- For the first time ever a pair has managed to complete the crossing faster than the solo competitors – and in under the hour!
- The second pair to finish also did so in under an hour!
- The fastest time for a mixed pair was smashed by more than 4 minutes!

Perhaps it's no surprise that the winning pair was Tim and Andrew Davies – Tim currently holding the solo record, Andrew having last year set a pair's record (with Jamie Loxham) and each having won the event and held the record on more than one occasion. Their time removed more than 5 minutes from the pair's record and it is interesting now to speculate on whether a pair can go faster than the solo record.
Whilst the pair's result is unprecedented, Rob Baker's performance, in winning the event as a solo competitor for the third time, is remarkable as it his fastest time yet (by 2 mins. 42 secs.) and well within the hour. Rob departed from his normal route (i.e. via Medlicott), perhaps influenced by Tim and Andrew, proving that route choice is critical to a sub-60-minute run.
To complete the sub-60 performances Pete Vale and time trial newcomer Tom Owens ran out of their skins in an attempt to challenge Tim and Andrew and managed to break comfortably the previous best time recorded by a pair. Each of these performances would seem to indicate that the event has matured and will now produce sub-60 minute performances most years.
Building on her previous year's runs, Anna Bartlett teamed up with fellow Welsh International, Richard Roberts, and sliced a considerable margin from the mixed pair's previous fastest recorded time. Also capitalising on several year's rehearsal, Jenny York took the women's solo title. However, Val Swingler will be anxious to avenge her narrow defeat (3 secs.) and has vowed to spend less time "in the bushes" next year!
Time and space prevent me from analysing results in more detail but I hope the prize list below picks out a number of notable or intriguing performances. To everyone else who felt they had no more to give as they crossed the line – well done! This event is intended both to produce exceptional performances and to encourage participation across a wide range of abilities so I hope you will want to have another go next year!

PRIZES – SUPPORTED BY HIGH SPORTS AND SHROPSHIRE HONEY LTD.:
Once again, the generosity of local business ***HIGH SPORTS*** in Shrewsbury has enhanced the prize list. RACE NOTES: Tim Davies' new time has removed a very impressive 1 minute 16 seconds from his previous record. Feigning a certain lack of confidence at the Start, Tim set off like a rat out of a trap and was seen by others to vault the gate in the lane as he approached the finish. This performance ensured he finished over four and a half minutes in front of Rob Baker. Nevertheless, Rob posted his fastest time yet in being denied his hat trick of wins.

Newcomer Andy Lister (currently between clubs) produced what must be one of the best first-time efforts to record a time of under 64 minutes for third place. It is not uncommon for first-timers, unsure of pace and route, to post times that leave plenty of scope for improvement in following years - but Andy's performance seems worthy of remark as his arrival the day before was his first visit to the Shropshire hills. Competition in the women's categories was characterised by the familiar domination of Polly Gibb whose time of just over 75 minutes impressed herself if not surprising others. However, Anna Bartlett now shows all the signs that she can challenge Polly for the title next year. Although Jane Rowlands had an excellent run and improved her time on last year's by more than 11 minutes, the presence of Polly running solo and Anna improving her time by more than 27 minutes meant she was pushed down a place to third.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL ON FOOT

Russell Mapp led home the contingent of Ludlow Runners to win the over 40 men's category to be followed barely 3 minutes later by the heavily tipped Ed Davies in the over 50 category. The evergreen category (over 60s) promised an exciting tussle between sub-90 minute runners Alan Morris, Brian Morris, Colin Williamson and Mick Ward. With Alan not quite reaching his peak of recent years and Colin (allegedly) making some speculative route decisions it was left to Brian to take the title on his return to the competition. This category promises to be even more competitive next year when Tony Thompson (85+ mins.) joins its ranks.

In the pairs categories Andrew Davies and Jamie Loxham sliced 2 minutes 17 seconds off the fastest time (set last year by Tim Davies and Andy Yapp) and completed a good day out for the Davies family. G and J Cowley from Church Stretton produced a very respectable time to take the mixed pair category whilst the Leventon girls took the Women's pair title, just failing in their attempt at the fastest time by 12 seconds.

A particular "well done" to all the youngest participants including seasoned campaigners Megan Holgate and Megan Over and first- timers Evelyn Over and Emma Clark. It is hoped they will follow in the tracks of Greg Hearle (14), Joseph Donnelly (12) and Bess Robson (13) who each posted very creditable times for their ages.

It's remarkable how many competitors are consistent year on year with, for instance, runners such as Bob Couth, Alan Morris, John Hall and Chris Dawes returning time and again to post times that vary by only a few minutes. However ,a few of the more significant improvements this year include (in addition to Anna and Jane mentioned above): Neil Postans - 11 mins. faster this year on last; Rachael & Mark Bollom – 21 mins.; Graham Hardy – 16 mins.; Alison Bradley & Olivia Glackin - 26 mins.; Steph Mackey – 24 mins.
- with apologies to those whose super-human efforts have not been highlighted.

A NOTE ON PRIZES: A donation of £100 has been made with the intention that it supports the spirit of the Time Trial with a prize each year over the next ten years. The anonymous donor suggested it be used to "encourage each end of the age range to try this type of event or to continue to take part as a pair". You will see that having looked closely at the age information available to me, the older generation has been favoured this year.

Continuing in the tradition of supporting local businesses a significant number of the prizes are Christmas cakes baked at Clee Downton. More information can be found at www.simplydeliciouscakes.co.uk

Twenty prizes have been awarded as follows: First three overall solo - Tim Davies, Rob Baker and Andy Lister; First and second woman solo - Polly Gibb and Anna Bartlett; First over 40 - Russell Mapp; First over 50 - Ed Davies; First over 60 - Brian Morris; First 'more senior woman' - Liz Hird; First pair - Andrew Davies & Jamie Loxham; First mixed pair - G & J Cowley; First female pair - Clare & Julia Leventon; Pair nearest the mean time - Greg & Andrew Hearle; Youngest person to complete within 2 hours - Joseph Donnelly; The **'Spirit of the Time Trial'** prize this year awarded to the Pair with the greatest aggregate age (121 yrs.) completing within 150 minutes - Val and Barrie Nicholas.

LITTLE STRETTON TO STIPERSTONES TIME TRIAL: 28TH NOVEMBER 2004

DARK PEAK RAIDER SWOOPS AGAIN!

Once again Sheffielder, Rob Baker, took the title from under the noses of Mercia Fell Runners. Despite, or because of, his route choice, Rob posted a very respectable time given the conditions under foot, edging Pete Vale into second place by only four seconds.

RACE NOTES: Although he spent a lot of time scrutinising maps and a couple of hours the day before "reccying" route possibilities, Rob Baker stuck to his 2003 route – via Pole Cottage and Medlicott. It was good that his confidence in his route gave him success, as it once again begs the (probably un-provable) question as to which way is quickest. Whilst Pete Vale could have been disappointed to miss by such a narrow margin he can be justly pleased with his performance - 1 minute 42 seconds faster than his only previous (2002) effort when he also finished second.

Jenny York capitalised on her experience from previous years (running in pairs) to take the Women's title with a time faster than she has ever before completed the course. Her time of 83 minutes 45 seconds was nearly 20 minutes quicker than her nearest challenger, Jane Rowlands, and only 22 seconds behind Mixed Pair winners Polly Gibb and Rick Robson.

Times recorded in the Men's veteran categories were, as ever, very competitive. Graham Spencer retained his Vet o50 title for the third year running but will have to work hard next year if he is to beat this year's o40 winner, Ed Davies, who will (at last) move up an age category! Wrekin Orienteer, Pete Jones, took the o60 category title by just 3 seconds. A defeated Mike Callow now understands the cost of passing the time of day with Pete when he encountered him making his way back to Little Stretton.

A new record was set for the Men's Pair by Tim Davies and Andy Yapp, who took a 2 minutes 20 second chunk from the time set last year by Tim Werrett and Mike Boulstridge. Andrew Davies, running with Jamie Loxam, couldn't catch his brother Tim but still managed to record the second fastest ever time for a Pair. Competition in the Mixed Pair category was particularly keen with the first three recording times within the span of one and half minutes. In the Women's Pairs Ludlow Runners, Jo Sharp and Jane Mapp, once again managed to keep Mercia Fell Runners Sharon Davies and Dianne Spencer in second place and retain their title for a third year.

It was good to see a number of wayfarers taking part and pleasing to note the usual number of youngsters – many making year on year progress. I hope each will be encouraged to return with personal targets for next year.

A NOTE ON PRIZES: The prizes for First Man and First Woman were, this year, signed copies of *'FEET IN THE CLOUDS'* a fascinating book about fell running by Richard Askwith. I would like to thank Richard for signing copies and for his interest in our race. If you have not read 'Feet In The Clouds' it is to be highly recommended having received very good reviews. A third signed copy of the book was set aside for award to the person whose achievement is adjudged to have made been outstanding. Having looked closely at the results (and looked back through his past results) I have decided this special prize should go to **Mick Ward**. I hope Mick doesn't mind me revealing that his run, achieved in a time of 96 minutes 37 seconds (with Barbara), marks his graduation to the over 70's. Mick has competed with remarkable consistency in each of the last three years' Time Trials producing results that, by any age handicapping system, serve as inspiration for the rest of us and deserving of the special prize.

WEATHER: Early rain cleared mid-morning. **GROUND:** Wet and muddy – probably accounting for generally slower times.

STATISTICS: 153 competitors – 42 women and 111 men. 65 solo competitors – 9 women. Clubs - Mercia Fell Runners: 32 competitors; Shropshire Shufflers: 17; Shrewsbury AC: 14; Oswestry Olympians: 9; Wrekin Orienteers: 8; Ludlow Runners: 7.

THANKS: A number of people make an unfailing and regular contribution to the success of the Time Trial. Many thanks go to **HIGH SPORTS, THE STIPERSTONES INN** and **BOULTONS COACHES** and to the following individuals: Jill and Clare Leventon (Finish), Bob Couth and Stuart Cathcart (Start) and to the Robsons (logistics).

ACCOUNTS SUMMARY: Income £306; Prizes £182; Expenses £64; Donation to 'Youngsters in the Mountains' fund £60.

'YOUNGSTERS IN THE MOUNTAINS' is a **HIGH SPORTS** initiative to help young people expand their horizons and experience in the hills through the award of small grants. This could include assistance for young fell runners, orienteers and adventurers in the hills – call in at the shop (Wyle Cop, Shrewsbury) for more details.

NEXT YEAR: The 18th Time Trial is planned for Sunday 27th November 2005 – but check nearer the time.

FEEDBACK PLEASE: More competitors took part this year than in any previous year and it is very gratifying to receive many compliments to the effect that the Time Trial offers a unique experience and an excellent social occasion. I enjoy organising it because the format doesn't involve too much work or complicated arrangements – turn up and register on the day, no way-marking or marshals, choose your own route, minimal rules – and all for £2. However, we might be at the limits of what can work without taking the organisation up a gear. This could involve such as a Portaloo at the start, parking facility in Little Stretton, pre-entry and allocation of start times – more helpers and a significantly higher entry fee. Furthermore, the format of the event precludes it from being registered with the FRA. Hence I have no access to insurance and I'm not sure for how much longer this is tolerable. So it is important that I receive your views on the future of the event – either supportive or those suggesting change.

DARK PEAK RAIDER SWOOPS!

With Tim Davies resting, pre-race speculation focused on other Mercia Fell Runners and the possibility of a Shrewsbury AC challenge - but it was a Dark Peak Fell Runner, Rob Baker, who grabbed first place.

Rob Baker's time (the 12th fastest of all time) is notable as it was achieved after just a couple of hour's route familiarisation the day before, albeit under the guidance of last year's Women's winner. Snailbeach resident Andy Yapp continued his year on year improvement only to be pipped by 17 seconds. I suspect next year might be his with a sub-62 minute goal.
Gwenda Roberts sliced more than eleven minutes off her last year's time to take the women's title and restore Mercia pride. Shropshire Shufflers Julia Leventon and Kath Preston challenged hard - just 29 and 67 seconds respectively, behind Gwenda.
The veteran men were headed by Bob Couth - the winner of the very first Time Trial in 1988. Bob's 2003 time was only 2 minutes 25 seconds slower than in 1988 – representing an average slowing of only 9 seconds per year! Graham Spencer retained his Vet o50 title with exactly the same time he recorded last year! Meanwhile Alan Morris continued his domination in the Vet o60 category by once again going even faster!

New records were set for the Men's Pair – Tim Werrett and Mike Boulstridge (by a single second) and for the Mixed Pair – Polly Gibb and Rick Robson. Competition in all three pair categories was particularly keen. The first four Men's Pairs places were only separated by a couple of minutes; Gill Harris and Keith Richards put in a very determined effort but Polly and Rick proved just that little bit stronger and; Ludlow Runners Joanna Sharp and Jane Mapp managed to keep Mercia Fell Runners Sharon Davies and Dianne Spencer at bay and retain their title. Rivalry in the Women's Pair category will be, no doubt, intensified next year with the return from injury of the dream (on) team of Jan Robson and Steph Mackey.
The Time Trial continues to attract hill running novices as well as a very able bunch of locally grown (supervised) youngsters. The impressive first time results posted by Penny Blatch and Joseph Hughes respectively are particularly encouraging.

Fascinating(?) facts: 8 persons competed this year having also competed in the first (1988) event. In addition to Bob Couth they are: Jean Bollom (1988 winner - making a rare appearance); Rick Robson; Tony Thompson; Barrie Nicholas; Gordon Trevor; Denis Rowlands and; Chris Dawes. Competitors were attracted from as far afield as Sheffield, Surrey and Sidmouth.

Weather: Fine – some sun; early mist. **Ground:** Good – wet/soft in places after rain the day before.

Statistics: 127 competitors – 33 women; 94 men. 49 solo competitors – 7 women. Clubs - Mercia Fell Runners: 29 competitors; Shropshire Shufflers: 17; Shrewsbury AC: 10; Ludlow Runners: 7; Oswestry Olympians: 7.

A complaint: A member of the public made a complaint that her dog was "attacked" by a competitor's free-ranging dog. Whilst I don't think it should be necessary to impose rules about such things I do ask everyone to consider that the public and landowners do not separate the responsibilities of individuals from the reputation of the event.

Thanks: Many thanks to **HIGH SPORTS, THE STIPERSTONES INN** and **BOULTONS COACHES** who each play a part in the success of the event. A number of people made sure that things worked smoothly on the day: a very big thank you to Jill and Clare Leventon with Nick and Sue Holden (Finish), to Bob Couth and Stuart Cathcart (Start) and to the Robsons (logistics).

Accounts summary: Income £254; Prizes £139; Expenses £44; Donation to 'Youngsters in the Mountains' fund £71.
'Youngsters in the Mountains' is a High Sports initiative to help young people expand their horizons and experience – call in at the shop (Wyle Cop, Shrewsbury) for more details.

Next Year: The 17th Time Trial is planned for Sunday 28th November 2004 – check nearer the time.

Views on prizes would be particularly welcome - this year we featured Shropshire produce (with help from Wroxeter Vineyard).

ONE HOUR BARRIER SMASHED

At last someone has beaten the hour. Congratulations to Tim Davies who took the record that his brother Andrew had held since 1997 – removing 2 minutes 7 seconds from it. This very impressive performance had been eagerly awaited and reinforces Tim's dominant position in local hill running.

Clare Leventon put in a spirited run to take the women's title whilst managing to achieve her personal target of getting inside an hour and a half. However, her embarrassment on being kissed at the presentation might inhibit her future performances.

Although he has not competed in the time trial before, Pete Vale showed confidence and class to grab second place – a mere 6 seconds ahead of Tim Higginbottom. Just behind Tim the competition was particularly hot – only 3 seconds covering Colin Lancaster (1st over 40), Andrew Yapp and Andy Davies.

Thirteen women competed solo returning times in the range 1h 29m to 2h 22m. In second place and first in her age class, was Julie Cooper improving on her time last year by nearly 5 minutes. Julie Fletcher an orienteer from Welshpool and newcomer to the time trial, took third place; less than 3 minutes separated Julie (F) from sixth placed Gwenda Roberts.

Congratulations to Russell Mapp who was competing in his 100th race this year and managed to run faster than he did last year. Graham Spencer capitalised on his time trial experience and, being a first year 50 year old, took first place in age class. Alan Morris maintained his extraordinary record of consistency winning first place again in the Vet o60 category. Alan has competed solo for at least the last 10 years with times recorded in the range 1:17:53 ('99) to 1:31:24 ('96); he ran faster this year than last year!

Records in each of the 'pair' categories remain intact. However, Rob Beeston and Jenny York must feel it within their grasp to take two and a half minutes off their time and claim the mixed pair best time next year.

Well done to all the youngsters – some (Megan and Megan) making the crossing for the first time and others (Robsons, Donnellys and Ben Owen) now being seasoned campaigners.

Weather: Mist on the top (misty enough to confuse Ian Hughes!) but dry, fresh and sometimes sunny at lower levels. **Ground:** Wet/soft under foot.

Statistics: 107 competitors – 29 women; 78 men. 53 solo competitors – 13 women.
Mercia Fell Runners: 22 competitors; Shropshire Shufflers: 15; Wrekin Orienteers: 10; Ludlow Runners: 7.

Thanks: The unfailing support and sponsorship of **HIGH SPORTS** enables the time trial to balance its books and maximise the prize list – many thanks to Stuart Cathcart. We were also fortunate this year to have prizes donated by **www.mapkiosk.com** - thanks to Dave Smith. Please give our sponsors your support.

A number of people ensure that things work smoothly on the day at the Start and the Finish – a very big thank you to Bob Couth, Stuart Cathcart, Debbie Clough, Jill and Julia Leventon.

The hospitality of John Sproson and staff at the Stiperstones Inn is key to the unique atmosphere of the time trial and without Mick Boulton's bus service logistics would be difficult for many. Thank you John and Mick.

Accounts: Income £205; Prizes £151; Expenses £54

Next Year: The 16th Time Trial is planned for Sunday 30th November 2003 – check nearer the time.

Andrew Stays In Bed But Davies Family Honour Upheld

Since 1997 the Time Trial winner has been Andrew Davies but this year it was Tim (his brother) who returned to take the title he last won in 1995. Well done, Tim.

Polly Gibb made it a hat trick of wins - faster than last year but 5 minutes outside her record. Would she have been quicker if she had known how well Gill Harris had run to post a time just 2 minutes 11 seconds slower than Polly?

Colin Lancaster (1st over 40 and 2nd over all) seems to have found the right route, taking more than 8 minutes off his previous best and a couple of minutes out of Paul Cadman. Remarkably, Paul has never been placed lower than 3rd in 8 solo runs.

Of the older men's performances it is that of the evergreen Alan Morris that stands out. Alan was not only 1st over 60 but also 1st over 50.

Whilst Kath Preston won the more senior ladies category again (4 in a row), of special note was Pauline Richards performance - improving on her previous best from 1995 by nearly 6 minutes.

In the pairs categories the keenest competition proved to be between 1st Mixed - Bob Couth & Wendy-Jane Walton, and Denis & Jane Rowlands just 1 min 19 seconds behind.

The Donnellys and the Robsons put in prolific efforts with, respectively, 5 and 4 family members completing. Well done to all the younger ones who, no doubt, had to coax the adults to the finish line.

Weather: Wet in the later part of the morning and windy on the top - but reasonably warm.
Ground: Muddy/sticky in places.
Statistics: 105 competitors – 30 women; 75 men. 52 solo competitors – 11 women.
Several runners have now completed 10 solos - Bob Couth, Phil Latter, Alan Morris, John Sproson, Linda Crichton, but just one – Chris Dawes has completed 11 solo.

The record of the Records:

Man Solo: 1:00:15 Andrew Davies '97
Men Pair: 1:07:28 Bob Couth & Paul Cadman '97
Mixed Pair: 1:22:23 Jackie & Dave Jarvis '95
Woman Solo: 1:10:06 Polly Gibb '99
Women Pair: 1:28:43 Judith Witterick & Sandra Butcher '92

Thanks to all the helpers – Bob Couth, Stuart, Alison and Simon Cathcart, Jill Leventon.
Thanks also to High Sports for generous support, John Sproson and staff for Stiperstones Inn hospitality and to Mick Boulton for the Finish to Start bus service.

Next Year: The 15th Time Trial is planned for Sunday 24th November 2002 – confirmation nearer the time.

Congratulations to:
Andrew Davies and Polly Gibb - winners in two centuries !

Both Andrew and Polly repeated their victories of last year although weather and under foot conditions ensured that their previous record times remained in tact.

In view of conditions, following this year's very wet Autumn, I believe more competitors took to the road from Bridges to The Hollies. However, this has not settled the debate as to which is the optimum route. Despite conditions a number managed to improve on their previous best solo performance. In particular: Roger Lamb (4th); Andrew Yapp (5th=); Andrew Clough (5th=) - surprising himself to take the o40 Vet Mens prize and; Ken Howard (9th).

In the pairs classes it was good to see new winners. Having just missed the pairs prize in '99 Stuart Nash teamed up this year with Kevin to go 29 seconds faster and take the Men's Pair title. Sandra Butcher repeated a category win taking the Women's Pair title, on this occasion, with Ann Limbert - Sandra previously won this category in 1992. Jane and Denis Rowlands were clear winners of the Mixed Pair category, taking benefit from Denis' experience of at least 7 previous year's runs.

Mention must also be made of the fine starts made to their hill running careers by Sam Robson (10), Tom (11) and Matthew Donnelly (9) - keep it up boys !

A number of old faces returned this year (Barrie Nicholas, Barbara and Geoff Keenan) and several first timers emerged from near and far to post their intentions for the future - Annie Capp and the Dark Peak runners Mick Edwards and Chris Edwards for instance. Nevertheless, many of the names appearing in the results have a number of times to their credit and it is the consistency with which many 'time triallers' perform year after year that never ceases to impress. If you would like a copy of the complete historical record of solo times send me a stamped addressed envelope. (A complete list of pairs times is still in preparation.)

I am pleased that so many of you enjoy the format of this particular hill running event. A number of you have passed on your positive comments which are very gratifying - thank you.

Statistics: 72 Men (47 solo); 22 Women (7 solo);
23 Mercia runs; 12 Shropshire Shufflers; 7 Wrekin OC; 6 Shrewsbury AC
Accounts: Income £188; Prizes £149; Expenses £39

Thank you to all helpers: Bob Couth and Stuart Cathcart at the start line; Jill & Julia Leventon at the finish line; Mick Boulton **(Boultons Coaches)** for providing the Finish to Start bus service; John Sproson and his staff at the **Stiperstones Inn** for unfailing hospitality.
An additional big thank you to **HighSports of Shrewsbury** for generous support with prizes.

Congratulations to winners Andrew Davies and Polly Gibb

Although Andrew Davies cruised in looking very comfortable to record a time just 10 seconds outside his record, it was the performance from Polly Gibb that shook the world of Shropshire Hill Time Trialling (!). Polly took 11 minutes 34 seconds off the old record to set a very challenging time for next centuries runners and denying Wendy-Jane Walton the record she would otherwise have gained. Wendy-Jane clearly set out to get her name on the record holder's trophy, shaving 49 seconds from Judith Witterick's 1994 best time.

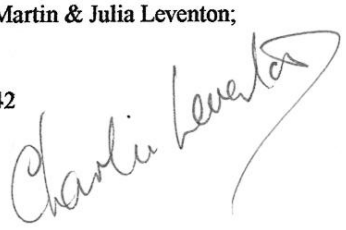

Among many other impressive performances that could be highlighted I would mention the following:
Paul Cadman made yet more improvement on his best time to take second place and announce his potential, along with Andrew, to be the first to go under 1 hour. The first three men's pairs all finished within 18 seconds of one another. Competition in the over 50 Men's category remains very keen with John Coombes going under an hour and a quarter and Brian Morris just winning the annual dual with Alan Morris.

You might have noticed that Jan Robson & Steph Mackey were declared 'interim' champions in the Ladies pair category. We calculated Carol Williams & Clare Donnelly's time incorrectly. Apologies and Congratulations to Carol & Clare. Hard Luck to Steph & Jan. To encourage other than the elite competitors, prizes have also been awarded to: Mick & Ross Boulton - first two generation team; Chris Dawes - for consistency (his time this year varied from last year's by just 1 second!) and; Liz Hird & Cynthia Ashcroft for the time closest to 2 hours. The title of 'Senior Man with Greatest Unrealised Potential' goes to local outdoor pursuits instructor Ali Drummond.

Weather: Overcast to clearing with a (predominantly) following wind. **Ground**: Good to soft
Statistics: 88 Men (45 solo); 29 Ladies (7 solo) **Accounts:** Income £157; Prizes £125; Expenses £32
Next Year: The 13th running of the 'Time Trial' is planned for Sunday 26th November 2000 - please check.

Many, many thanks to all helpers and supporters: Bob Couth; Stuart Cathcart; Jill, Martin & Julia Leventon; Mick Boulton; John Sproson and staff.

Congratulations to Andrew Davies on a tremendous effort ! The knowledge that Harry Matthews had set off in determined style, coupled with the benefit of an earlier reconnaissance with Bob Couth, meant that Andrew demolished his brother Tim's record by more than a minute and a quarter. Andrew must be confident that he can now take the record under the hour - perhaps if he hadn't slipped over at one stage he might have done so this year.

Well done to Wendy-Jane Walton. Having rehearsed her route at previous year's events Wendy-Jane is clearly building up to have a go at Judith Witterick's record. Meanwhile Judith is building up her speed in x-country events before returning to hill running, so next year's time trial promises to be very competitive.

Statistics: 73 Men (42 solo); 31 Women (8 solo)

Many, many thanks to:
Bob Couth for ensuring that everyone started from the line at the correct time; **Jill**, **Clare** and **Martin Leventon** for sorting everything out at the finish; **Rick Robson** for the use of his 'minibus' at the finish; **Mick Boulton** for putting on the 'finish to start' bus service; **John Sproson and his staff** at the Stiperstones Inn for their never failing hospitality;
and finally a special thank you to Stuart Cathcart at Highsports in Shrewsbury for much help with preparations and for the supply of a number of the prizes, the profits from which he has donated to the Air Ambulance.

Well done Mick Boulton ! Mick's local knowledge and his determination in the poor conditions brought him the win he deserves. Mick has given sterling support to Shropshire hill running in recent years and it gave me particular pleasure to record his victory.

Congratulations to Gill Harris. Gill made it a Mercia FR double by taking the ladies title with a fine run for the conditions. In better conditions Gill could be a candidate for setting the best time for a lady.

Apologies for not being able to announce all the prize winners on the day. I gave priority to accounting for everyone and secondly to identifying the two overall individual winners. If, when you receive these results you notice that you are due a prize, please contact me to arrange the best means of getting your hands on it. Well done **Alastair Cathcart** who receives the prize for returning the most promising time for a young newcomer; Alastair is nine years old !

The weather was, by far, the worst we have experienced in the nine years of the competition and I was relieved to have everyone clocked in safely. However, I heard many of you comment on how you enjoyed the adverse conditions saying that it added to the atmosphere of the occasion.

In the conditions route choices favoured more use of the road - provided it could be found. I think many people went via Ratlinghope and Bridges whilst a few stuck with the most direct route via Ratlinghope and Near Gatten Farm. I also heard of parties running in various directions near Pole Cottage and Pole Bank. Amazingly a few people improved on their last year's time: Lawrie Jones and Terry Davies each running solo and the husband and wife team of Chris and Jess Taylor.

Many, many thanks to:
Bob Couth for more than 2 hours help at the start before setting off on his own run;
Jill and **Martin Leventon, Rick Robson** and **Pat Carr** for manning the finish and coping with miserable conditions;
Mick Boulton for the 'finish to start' bus service and for donating a prize;
Highsports for continuing support;
and finally, **John Sproson and his staff** at the Stiperstones Inn for their hospitality.

Congratulations to Tim Davies, winner with a new record time. At 18 years young Tim could be a good bet to take the record below the hour. Although Tim managed the impressive time of 61 minutes 32 seconds the route he is reported to have taken could surprise many competitors !

Well done to Nikki Moorse ladies winner who achieved a very creditable time for a newcomer to the event.

Commiserations to Mick Ligema, running his fourth Time Trial, who would have regained the record he once held if Tim hadn't turned up !

I must make the plea for future years to please take note of the rules and any special instructions at the start. Unfortunately some competitors seemed unaware of the request not to cut accross a field near Ratlinghope Church and in so doing they upset the farmer. Although those who encountered the farmer will think that to say he was "upset" is understating things I hope that as a result of work behind the scenes the matter might gracefully fade from memories.
However, I will in future have to point out that the requirement to honour the Country Code means that enclosed fields and cultivated pasture must only be crossed using recognised paths, tracks and roads. I do not want to erode the informal spirit of the event by introducing more rules and control procedures; the event works on trust and its simplicity and informality are what make it successful, I believe.

Many thanks to:

Andy Clough, **Bob Couth** and my family **Jill**, **Julia** and **Martin** for their help;

John Sproson and his staff at the Stiperstones Inn for their hospitality;

and **special thanks to Mick Boulton** for 'agricultural mediation services' as well as for the 'finish to start' bus service and for donating a prize.

Congratulations to Judith Witterick who set an excellent new best time for (younger?) ladies to chase !!

Well done Mick Ligema winner of this years event with a time just 1 second faster than he has managed before and only 15 seconds adrift of Paul Cadman's record time.

Well done everyone else - the relaxed spirit in which you compete makes the event unique and enjoyable for all who take part.

The spot prize has been awarded on the basis of being the solo time nearest to the median individual time !

Many thanks go to:

Peter Bayliss, my family - **Julia, Clare** and **Jill,** and **Richard Day** for invaluable help at the start and finish

John Sproson and his staff at the Stiperstones Inn for their hospitality, without which the event would be the poorer in atmosphere

Mick Boulton for the 'finish to start' coach service

Accounts: Income £148.50 Prizes £118 Expenses £30.50

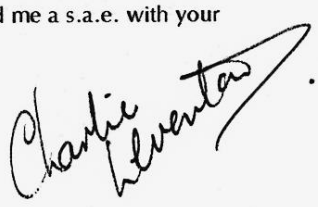

Next Years' Event: Sunday 26 November '95 (check nearer the time). I think Mick Boulton will be prepared to provide his coach service again.

Don't forget: The Devils Chair Dash or Dawdle on Boxing Day

Bob Couth: as you may know , the day before the event Bob sustained head injuries in a serious car accident. He is now (Sat. 3 Dec.) out of intensive care and is making progress on his long road to recovery. Bob and his family are very grateful for all the good wishes which they have received from running friends and for those which I have conveyed on behalf of 'Time Trial' competitors.

Finally, I have kept all previous years' results and have ranked the all time solo efforts. Just send me a s.a.e. with your request for any such 'historical' information.

Dear Competitor

Here are the results of the **Little Stretton to Stiperstones Time Trial held on Sunday 27 November 1988.**

The weather couldn't have been better and I am pleased to report that more than 60 persons took part as runners or wayfarers from Shropshire, Staffordshire and beyond - including New Zealand and the Wye Valley !!

Bob Couth of Telford AC took first place just 50 seconds ahead of **Richard Day** (Mercia Fell Runners). **Rick Robson** (TAC) chased hard for a well earned 3rd place 44 seconds behind Richard. These three took roughly similar routes and I guess that any differences in their paths to the top of the Long Mynd might have been a significant factor. Their times present a very respectable challenge for next year.

The spirit of the event encouraged a greater than usual proportion of women competitors. **Jean Bollom** surprised herself (but not those who know her) by winning with a margin of 82 seconds from **Judy Preece**, the local Long Mynd Hike veteran.

Particular mention should also be made of fine efforts by **Norman Noble** a "super vet" in 4th place overall, by **Tony Thompson**, by **Jean Breakell** and by **John Holder.**

Cyclist times are added as an interesting comparison; Stuart Cathcart took roads all the way whereas those on mountain bikes took a more direct route.

Many thanks go to **John Sproson** of the Stiperstones Inn, **Stuart Cathcart** of **SMC Highsports** and the **Mercia Fell Runners Club** each for their generosity and support and to **Bob Preece** who recorded everyones arrival time.

I shall be pleased to organise the event again next year as I think it will once more attract a wide range of "aspirants" and a greater number if everyone who enjoyed this year's tells someone else about it - how about Sunday 26 November 1989 ?
